

Integrated Project Management Training scheduled at Anne Arundel Community College

Sponsored by
Department of Budget and Management

Severe Weather Policy

If Anne Arundel Community College is closed or has a delayed opening (anytime after the regular start time of 8:30 a.m.), “*Integrated Project Management*” classes will not be held.

If the first and second day of a scheduled three/four day class is cancelled because of severe weather, the entire class is cancelled. It will be rescheduled. If only ONE day of a scheduled three/four day class is cancelled because of severe weather, the class will continue and only the final day will be rescheduled. **ALL REGISTRANTS ARE NOTIFIED OF THE RESCHEDULED DATES.**

If in doubt about weather or other emergency-related closings or delays affecting the “*Integrated Project Management*” classes, please call 410-767-4278 or 410-767-4683. The following radio and television stations may also be consulted:
